WORK UNIFORMS

All general terms and conditions of Miami-Dade County Procurement Contracts for Invitations to Bid are posted online. Persons and Companies that receive an award from Miami-Dade County through Miami-Dade County's competitive procurement process must anticipate the inclusion of these requirements in the resultant Contract. SECTION 2
SPECIAL CONDITIONS

WORK UNIFORMS

2.1 PURPOSE: TO ESTABLISH A CONTRACT FOR THE COUNTY:

The purpose of this solicitation is to establish a contract for the purchase of work uniforms in conjunction with the County's needs.

2.2 TERM OF CONTRACT: FIXED PERIOD

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter which is distributed by the County's Procurement Management Division, and contingent upon the completion and submittal of all required bid documents. The contract shall remain in effect for sixty (60) months and upon completion of the expressed and/or implied warranty periods.

2.3 METHOD OF AWARD: To Multiple Vendors By Item

Award(s) will be made to the two (2) lowest priced responsive, responsible bidders on an item-by-item basis. An Item is defined as all associated and noted sizes of the same particular article of clothing (i.e. Sizes S-XL and 2XL, 3XL...etc.). If a required size is not supplied by the manufacturer being proposed this should be noted in the bid document as Not Available. The inability to provide all sizes required may adversely affect the award of the item. The County's decision shall be final in these cases. While the method of award prescribes the method for determining the lowest responsive, responsible bidder, the County will award this contract to the designated lowest bidder as the primary bidder and will award this contract to the designated second lowest bidder as the secondary bidder respectively. If the County exercises this right, the primary bidder shall have the primary responsibility to initially deliver the goods identified in this contract. If the primary bidder fails to perform it may be terminated for default and the County shall have the option to seek the identified goods or services from the secondary bidder. During the term of the contract, the County may also make award to the third lowest bidder as tertiary if the primary and secondary bidders do not perform.

Award to multiple bidders is made for the convenience of the County and does not exempt the primary bidder from fulfilling its contractual obligations. Failure of any bidder to perform in accordance with the terms and conditions of the contract may result in the bidder being deemed in breach of contract. The County may terminate the contract for default and charge the bidder re-procurement costs, if applicable.

2.4 PRICES SHALL BE FIXED WITH ADJUSTMENTS ALLOWED:

If the bidder is awarded a contract under this solicitation, the prices proposed by the bidder shall remain fixed for a period of twelve (12) months after the commencement of the contract. After this period, the bidder may submit for a price adjustment to the County based on documented price adjustments by the product manufacturer. Acceptable documentation for an adjustment may be an email or letter by the item Manufacturer to its distributors notifying them of an adjustment. Adjustments greater than five percent on any item will be dis-allowed. The County reserves the right to negotiate lower pricing for the additional term(s) based on market research information or other factors that influence price.

SECTION 2
SPECIAL CONDITIONS

WORK UNIFORMS

It is the bidder's responsibility to request any pricing adjustment under this provision. The bidder's request for adjustment must be submitted to the County's Internal Services Department for review no more than 90 days or less than 45 days prior to expiration of the then current contract term.

The County reserves the right to reject any price adjustments submitted by the bidder. Continuation of the contract beyond the initial twelve month period is a County prerogative, and not a right of the bidder. This prerogative will be exercised only when such continuation is clearly in the best interest of the County

The enterprises must be certified by bid submission deadline, at contract award, and for the duration of the contract to remain eligible for the preference.

2.7 "EQUAL" PRODUCT CAN BE CONSIDERED UPON RECEIPT OF SPECIFIED DATA

Unless otherwise specified, the mention of a particular manufacturer's brand name or style number in the specifications does not imply that this particular product is the only one that will be considered for purchase. This reference is intended solely to designate the style, type or quality of merchandise that will be acceptable.

The determination as to whether any alternate product is or is not equal shall be made solely by Miami-Dade County and such determination shall be final and binding upon all bidders. Miami-Dade County reserves the right to request and review additional information and samples to make such a determination.

SECTION 2
SPECIAL CONDITIONS

In these cases, the bidder shall notify the County of the delays in advance of the original delivery date so that a revised delivery schedule can be appropriately considered by the County.

Should the bidder(s) to whom the contract(s) is awarded fail to deliver in the number of days stated above, the County reserves the right to cancel the contract on a default basis and at no cost to the County. If the contract is so terminated, it is hereby understood and agreed that the County has the authority to purchase the goods elsewhere and to charge the incumbent bidder with any re-procurement costs. If the bidder fails to honor these re-procurement costs, the County may terminate the contract for default.

The vendor shall maintain a copy of the authorization. If the vendor is in doubt about any aspect of material pick-up, vendor shall contact the appropriate user department to confirm the authorization.

While the County has listed all major items within this solicitation which are utilized by County departments in conjunction with their operations, there may be similar items that must be purchased by the County during the term of this contract. Under these circumstances, a representative of Internal Services Department, Procurement Management Section will contact the awarded bidders to obtain a price quote. Award of these items will be made as described in paragraph 2.3. In cases where a product has been awarded and additional sizes, colors or services are required by the County, the bidders awarded the item shall be solicited for the new requirement. The County retains the right to reject any quote received and purchase the item through other means.
